Alexandria, VA 22313-1450

STATEMENT OF SUBSTANCE OF EXAMINER'S INTERVIEW

Sir:

On October 22, 2006, applicant's attorney conducted a telephonic interview with the Examiner to discuss the Examiner's request for a restriction requirement and an election of species of the claims, as set forth in the Office Action mailed September 22, 2006. An agreement was reached for applicant to elect as the species for the lubricating oil composition (1) a motor oil as the species of the base oil and (2) a detergent as the species of the lubricating oil additive. An agreement was also reached for the applicant to elect an elastomer seal as the species of the elastomer.

CERTIFICATE OF MAILING UNDER 37 C.F.R. §1.8(a)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail, postpaid in an envelope, addressed to the: MAIL STOP AMENDMENT; Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on November 15, 2006.

Dated: November 15, 2006

Bridget Griffin

Appln. No. 10/779,421
Reply dated November 15, 2006
Reply to Interview Summary dated October 30, 2006

The claims as now presented are believed to be in condition for allowance. An early and favorable action are earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael E. Carmen". The signature is stylized with a large, prominent "M" and "C".
